Dear Mr Frederik Jeppesen

In mid-August, we wrote to inform you about the price adjustments for our products. All of the new prices have been listed on our website <https://www.hetzner.com> since 1 September 2022.

As a customer who ordered products that we brought online for you before 1 September 2022, you benefit from being able to continue to pay the old price until 31 December 2022.

We have made a downloadable list of these products that you have under above mentioned client number together with the old and new prices so you can compare them.

You can find this list on Hetzner Accounts at this direct link until 31 March 2023: <https://accounts.hetzner.com/price-changes-2023/>

We will be happy to help you if you have any questions or concerns. You will find the answers to frequently asked questions at <https://docs.hetzner.com/general/others/price-adjustment/>, or you can send us a support request. To do that, please log onto your account, click on "Support" in the menu, and use the support form you find there.

Kind regards
